

CITY OF GLOVERSVILLE, DEPARTMENT OF PUBLIC WORKS
Street & Traffic Light Inquiries

Street Light Inquires

Streetlight outages and other street light issues should be reported to the Department of Public Works either via email dpwaa@cityofgloversville.com or by calling the office at 518-773-4556. To address the issue efficiently and promptly, we ask that you provide the nearest address for the pole in question. Providing the pole number will expedite the response time.

Traffic Light Inquires

All traffic light and signal issues are resolved through the Gloversville Fire Department. They can be contacted via their non-emergency phone line at 518-725-3124.
